

Health camp at Rotary Muthappa Attavar Memorial Hospital/Urban Health Centre – Channasandra

Ms. Rashmi Attavar inaugurating the camp

Registration of the beneficiaries

Diagnostic health care services

President: Rotary Bangalore, graced the occasion

On 10/5/12, a general health camp was conducted at Rotary Muthappa Attavar Memorial Hospital/Urban Health Centre, Channasandra, Bangalore. The Dept. of Community Medicine, Rajarajeswari Medical College & Hospital (RRMCH), co-ordinated the same. Healthcare providers from RRMCH were involved in the camp. Rotary Bangalore had sponsored the medicines for the camp and Muthappa Attavar memorial trust had managed the other logistics.

During the course of the camp, beneficiaries from all age groups were provided screening and diagnostic services for presence of health related ailments including dental morbidities. Specialist Doctors of RRMCH from the Departments of Paediatrics, Dermatology, Surgery, Internal Medicine, Community Medicine, ENT, Ophthalmology, Orthopaedics and OBG - delivered health care services at the Camp. Around 165 patients benefitted from the camp, during the course of which 55 were referred to RRMCH for higher treatment. The camp was held from 9 am to 6 pm.

The following list shows the specialty-wise distribution of beneficiaries:

Sl.No.	Specialty	No. of beneficiaries
1	Medicine	47
2	Ophthalmology	57
3	Obstetrics & Gynaecology	10
4	Dermatology	17
5	Paediatrics	24
6	Orthopaedics	12
7	Ear, Nose, Throat	7
8	Dental	8

To mobilize the patients, publicity material in the form of Pamphlet distribution (~9,000 nos.) in local newspapers, banner displays in prominent areas and auto announcement, were adopted.
