

The Department of Pediatrics, Rajarajeswari Medical College and Hospitals in association with Indian academy of Pediatrics and in collaboration with Department of Preventive and Social medicine started a long awaited program of “Mobile health clinic services” for children between 0 to 15 years on 24th April 2024, covering 25 villages in and around Rajarajeswari Medical College and Hospital with an intention of “Rajarajeswari aspatre ya nade halliya arogyada kade”. The team of doctors consisting of pediatricians under the leadership of Dr. Adarsh E treated the patients from 9:00 am to 1:00 pm and addressed issues related to immunization, nutrition, diet counseling, developmental issues, disabilities and chronic diseases in the mobile clinic.

Children requiring further care and management were referred to Rajarajeswari Medical College and Hospital where facilities like Pulmonology, Nutrition counseling (IYCF Clinic), Haemato-oncology, neurology and neuro-developmental clinic services and endocrinology services will be provided with minimal cost in the department of pediatrics.
